Board of Education Meeting

February 14, 2024

# STUDENTS OF THE MONTH

### Olivia Kautz -Nominated by Mrs. Johnson

I would like to nominate Olivia Kautz as our Student Spotlight for the month of February. Olivia is such a caring student. I enjoy hearing her share her experiences from home and talking about the people in her life that mean so much to her. She is always excited to tell me about what kind of art that she is making outside of school. Olivia values art and creating to the highest. I think it is one subject area that she is able to be herself. I love that she is able to experiment with other materials and because of this she does not hesitate to jump in and try the techniques that we are working on in the classroom. Olivia is the first to volunteer to help with anything that I may need in the art room. She works great with her peers and is responsible for taking care of supplies and doing her best on her projects. Great job Olivia & Congratulations!

### Braxten Seman -Nominated by Mr. Canan

I would like to nominate Braxten Seman as our Student Spotlight for the month of February. Braxten is an outstanding young man. He works very hard in class and outside of school. He is the team manager for high school boys basketball and always makes sure that the bench area is cleaned up and reorganized. Braxten goes out of his way to help others no matter what he's doing. He always has a positive attitude that lifts up those around him and his great sense of humor makes class fun! Great Job **Braxten & Congratulations!** 

### Natalie Rank -Nominated by Mrs. Burgett

Natalie Rank is my Board of Education Spotlight Student of the month. Natalie is a hardworking student both inside and outside of the classroom. As her PE teacher for grades K-4, I have had the opportunity to watch her become the hardworking, detail oriented, motivated student she is today. She has great organizational habits and communication skills, which enables her to help herself and her classmates throughout the day. Natalie is a natural leader and always works well with others. In our physical education classes, she is always working to increase her exercise and skill levels when a skill is new or difficult for her. Keep up the great work Natalie! Great job Natalie & **Congratulations!** 

### Savannah Beachler -Nominated by Mrs. Espich

I am thrilled to nominate Savannah Beachler for the Student Spotlight recognition! She has consistently shown herself to be dedicated to her academics as well as to her school community. In the classroom Savannah shines as a great example of scholarly excellence. She is always positive, prepared, and participates in the classroom both by answering and asking questions, as well as helping her classmates when they are a bit befuddled. Her work is always prompt and of extremely high quality. She has a great interest in Spanish and she brings a lot of productive energy to the learning experience. Savannah is a delight to teach! Great job Savannah & Congratulations!

### Ella Clack -Nominated by Mr. Hall

I would like to nominate Ella Clack as our Student Spotlight for the month of February. Ella is an exceptional young member of our community. In the classroom, she is the one helping others, always in a positive mood, treats others with the respect they deserve, and continues to contribute positively to everything she is involved in here. Great Job Ella & Congratulations!

### Coach Bandstra & Coach Cantrell -Nominated by Mrs. Thompson

I am nominating Coach Bandstra & Coach Cantrell on their accomplishments during the 2023 football season. Upon hiring, Coach Bandstra took the job head on and was in the building any chance he could, building rapport with the students to gain interest in the football program. He and his staff were able to take a team that was at the brink of non-existence and bring it back to life with thirty athletes, five wins, and a playoff appearance. These coaches and their athletes brought excitement to a program that desperately needed it. We were able to have numerous post season honors amongst the team, as well as MVFCA Head Coach and Assistant Coach of the Year in Division VII. We are so proud of the accomplishments Coach Bandstra & Coach Cantrell were able to achieve this year. Great Job Coaches & Congratulations!
