# STUDENTS OF THE MONTH

# Vivian Phlipot - Nominated by Mrs. Griffith

Vivian Phlipot is currently a third grade student at Bradford Elementary. Outside of school, she enjoys playing basketball and dancing. She also likes doing gymnastics. I have nominated Vivian for this month's Student Spotlight because she embodies what it means to be "Bradford's Best." Vivian always comes to class with a positive attitude and a desire to learn. She is a great leader, and follows directions and rules without any reminders or complaints. Vivian is kind and helpful in class, and to her classmates. She always comes prepared and ready to learn. Her dedication to learning is inspiring, and makes her a great role model for our class. She is continuously striving to reach her goals, and her academic growth is a representation of her hard work. She is constantly pushing herself to do better and to become the best she can be. I know she will continue to be successful not only in school but throughout life, and I look forward to seeing her future accomplishments. Great Job Vivian & Congratulations!

# Bella Yohey - Nominated by Mrs. Frey

Bella Yohey is currently a third grade student at Bradford Elementary. She enjoys art and crafts, along with spending time with her family. I have nominated Bella for this month's Student Spotlight because of her dedication to learning and exemplary behavior. Bella gives 110% on every assignment she completes. Even when the work becomes difficult, Bella strives to do her best and never doubts her abilities. Her positive attitude is truly inspiring and her support for others is top notch. I can always count on her to help with jobs in the classroom or motivate others with her contagious smile. Her hard work and kindness make a difference everyday! I have no doubt that Bella will continue to thrive as she helps to make our school a more positive environment. Great Job Bella & Congratulations!

# Nick Lewis -

## Nominated by Mrs. Hoelscher-Fair

I would like to nominate Nick Lewis as this month's Student Spotlight. Nick is an 8th grade student and the son of Christie Green and Harold Lewis. Nick is a good friend to everyone and is always eager to help out around the school and the classroom. He has shown a lot of maturity and growth this school year, both socially and academically. Nick puts forth a good effort to always be on time to class, participate in class discussion and activities, and complete all of his assignments in a timely manner. Nick is involved in football and basketball, and he is always positive and encouraging to his classmates and teammates. Nick represents our school really well and shows what it means to be a Bradford Railroader. Great Job Nick & Congratulations!

# Adam Brush - Nominated by Mrs. Yingst

I am nominating Adam Brush as this month's Bradford Board of Education Student Spotlight. Adam enters the classroom everyday with a positive attitude and eagerness to learn. I can count on Adam for a variety of things - a daily Nintendo Switch gaming update; high quality completion of assignments; and being helpful and responsible. Adam is quiet in the classroom, but doesn't shy away from asking questions when he has them. Adam takes his time on his assignments, which provides high quality work. He never complains about the complexity of the assignments or having to complete them in study hall or at home. He is active in class discussions and has a great attitude. His positive attitude and dedication makes him a great role model for others. Great Job Adam & Congratulations!
