# STUDENTS OF THE MONTH

# Annelise Puterbaugh - Nominated by Mrs. Unthank

The decision of selecting the perfect person to represent Mrs. Unthank's class was an easy choice. Annelise Puterbaugh has been a rockstar all year in class. When she is focused, Annelise will constantly show the class and myself what is a true Railroader should be like. She will always give her very best on assignments and never takes the easy way out. There have been times when I have challenged her and she always shines. Her work is always nearly completed and completed to the best of her ability. Not only does she give her best with assignments, but she is a great friend to others. When someone is having a rough day or struggling with assignments, Annelise is always there to lend a helping hand. She will comfort and guide others when they need it. I never have to ask her to help others, she just takes initiative herself. It has been a pleasure having Annelise as part of our class family and I cannot wait to see where she goes next year. Congratulations Annelise, you deserve it!
