Cafeteria Staff - Nominated by Deb Didier

I would like to recognize the entire kitchen staff as this month's Staff Spotlight. I would like to recognize their dedication and hard work in feeding our children. They consistently show up everyday before most people are out of bed. They continue to be flexible with the changes needed, whether it's supply chain issues or staffing changes. They always have the meals prepared and ready to serve. Above all, they are helpful to our students and to me on a daily basis. They have been such a big help to me as I learn my job. Keep up the awesome work! Great job Kitchen Staff & Congratulations!
