# STUDENTS OF THE MONTH

# Bella Yohey - Nominated by Mrs. Mueller

I would like to recognize Bella Yohey for this month's Student Spotlight. She is the 8-year-old daughter of Sara Seidenstricker and Corey Yohey. She lives in Bradford on West Keller Street. She has 1 younger sister. She has 3 dogs named Buster, Angel, and BooBoo. She loves pizza! Her favorite thing to do at home is to play school and when she grows up she would like to be a teacher! Bella is in the 2nd grade. She is always so eager to learn. She tries her best and puts effort into all that she does in my classroom. Things don't come easy to her but she never gives up. She is showing up for practice! I am proud of her hard work and it is paying off because I have seen progress. Great Job Bella & Congratulations!

# Cordan Mead - Nominated by Mrs. Tina Schmitz

The student I am nominating for this month's Student Spotlight is a young man who gives a great effort everyday no matter how difficult the learning is for him. He has accommodations that he does not always use because he wants to be able to complete the work without making it easier. He is organized and helpful around the classroom. His classroom job is that of custodian. This is the perfect job for him due to his helpful personality. Congratulations Cordan Mead on being an AWESOME Railroader!

# Harleen (Harley) Gambill - Nominated by Mrs. Hart

The student I am nominating for this month's Student Spotlight is Harley Gambill. Harley is a great student. She is an excellent example of what a Railroader should be. She goes above and beyond what is expected each day here at Bradford. Harley is always willing to do what is asked of her, including helping other students. She also does other jobs in the classroom to help out as well. Great Job Harley & Congratulations!

# Kamryn Blackwell - Nominated by Mr. Schulze

I would like to nominate Kamryn Blackwell as our Student Spotlight for the month of December. Kamryn has shown remarkable improvement in academic performance. Throughout the academic year, Kamryn has shown an amazing commitment to personal and academic growth. Everyday he works hard in Science class to stay on task and get his work done on time. His dedication to his studies has shown in the improvement across various subjects. Kamryn's journey is a testament to the power of hard work, resilience, and a positive attitude. He has shown consistent effort to overcome challenges and seek help when needed has not only resulted in improved grades, but has also created a positive atmosphere in the classroom. Kamryn actively engages in class discussions, ask insightful questions, and has demonstrated a desire to learn more. Kamryn's persistence serves as a motivating example to his peers, showing that with determination and a focused approach, anyone can achieve academic success. Great Job Kamryn & Congratulations!

# Kaylin Richard - Nominated by Mr. Parke

My vote for this month's Student Spotlight would be Kaylin Richard. Kaylin's attendance, effort, and willingness to participate in class make her a model student. Her work is always completed, and if she does miss a day, she always makes it a point to make the work up immediately. When we are doing discussions or lectures in class and I pose a question, she is usually one of the first to answer and she understands the subtlety of the content and shows incredible critical thinking skills to see beyond the surface level information. She has always been one of my favorite students and she is a fantastic addition to any classroom she is in. She represents the school very well and truly shows what it means to be a Bradford Railroader. Great Job Kaylin & Congratulations!
