3. **A RESOLUTION DECLARING AN URGENT NECESSITY EXISTS AND AUTHORIZING THE EXECUTION OF AN AGREEMENT OUTSIDE OF STATUTORY COMPETITIVE BIDDING PROCEDURES WITH MULTIPLE VENDORS AS LISTED FOR THE CONSTRUCTION OF A RESTROOM ADJACENT TO THE HEADSTART PRESCHOOL WITHIN THE BRADFORD SCHOOL BUILDING.**

WHEREAS, Section 3313.46 of the Revised Code requires boards of education to advertise for bids for a period of two weeks when they determine to make certain improvements to school buildings, the estimated cost of which will exceed \$50,000 (\$75,000 after October 24, 2024) and to award contracts to the lowest responsible bidder, except in cases of urgent necessity; and

WHEREAS, the classroom in which preschool for Headstart has been in need of restrooms in direct proximity of the adjacent space and in order to comply with the application of an Early Child Education grant to improve conditions for education and socialization of the students; and

WHEREAS, the Board has internally computed construction costs at \$ 400.00 per square foot for approximately 110 square feet, and discussed those costs with the architects of record who began designing the space on February 14, 2024. Said architects verbally agreed at that time that bidding may not be necessary but were

unable to create functional designs until July of 2024, without provision of bidding documents or direction on how to proceed; and

WHEREAS, the Board of Education, through its agents, began procuring contractors to work on said project considering that it would be under the bid limitation for sealed bids, in anticipation of the close of the initial grant at June 30 of 2024; and

WHEREAS, the market for contractors was such that in order to provide for all the necessary components per plan documents, the nominal size of construction appeared too small and undesirable for most contractors, resulting in a considerable costs in excess of available grant money; and

WHEREAS, in order to avoid loss of the grant due to failure to have plans until after the end of the initial grant period and the unexpected construction costs, difficulty in the procurement of reasonable contractors and to meet the timeline of the expenditures, this Board finds that such circumstances warrant the declaration of a case of urgent necessity in connection with the procurement of multiple contractors. The Board requires quotes for all work necessary in accordance with Board Policy for the construction of a restroom adjacent to the Headstart Preschool and the awarding of multiple contracts for such work outside of the two-week bid advertisement and other procedures otherwise required under Section 3313.46 of the Revised Code.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Bradford Exempted Village School District, Darke County, Ohio, that:

Section 1. Finding of Urgent Necessity. For the aforesaid reasons, this Board hereby finds, determines and declares that an urgent necessity exists with respect to the procurement and commencement of the work as set forth in the preambles to this Resolution, that compliance with the relatively lengthy procedures prescribed by Sections 3313.46 of the Revised Code could adversely impact the educational mission of the District, and that said Section 3313.46 does not apply to the contract approved under Section 2 herein.

Section 2. Approval of Contract. The Treasurer of this Board is hereby authorized and directed to enter into a contract with Various Vendors as listed, in substantially the form currently on file with the Treasurer in an amount not to exceed \$120,000 for the work, which is less than the estimated costs per the Architects' estimates and the allowance within the grant and to take all other actions necessary and appropriate to carry out the work in accordance with the intentions of this Board as expressed in this Resolution.
