**BOARD PRESIDENT’S REPORT: DR SCOTT SWABB**

- A. Welcome
- B. Review of Agenda
- C. Student Spotlight

***Rayna Clark - Tracey Mueller***

*Rayna Clark is the student I would like to spotlight. She is a 3rd grader in Mr. Grillot's homeroom class. She is the daughter of Harmony and Raymond Clark. She has one older brother, Johnny Fike, that she is very proud of and often talks about his accomplishments. She also has an older sister, Abbey Fike. She is the proud owner of two dogs and one cat. She enjoys cheerleading and gymnastics in her free time. She plays house and watches T.V. in her down time. When she grows up she says she would like to be a cop because she would like to help people in danger. Rayna is an excellent example of Bradford's Best. She is a friend to everyone and always tries her very best in the classroom. She continues to be positive even when things get hard. She never gives up and she loves Bradford. I am happy and proud to be able to call Rayna one of Bradford's Best!*

***Caitlyn Hemmelgarn- Sarah Jasinski***

*Caitlyn is a fourth grade student who stands out in my mind as a spotlight student. She has come out of her shell a little bit and is gaining confidence in her work. She is asking to read during whole group time and asking questions when she is confused about something. This is great to see, especially since she was so quiet at the beginning of the year. In math she has improved so much. She is picking up on the math skills so quickly. She has met her AR goal the past two months. It took a while to get her to read and take tests, but now she is reading on her own and taking a test every chance she gets. Caitlyn is such a sweet student and is always wanting to help. Caitlyn offered to read an AR test to another student who has trouble reading. This really helped the student and helped me as I was working with another student at the time. She has teamed up with another student who has trouble reading and reads with that student. They work together to remember and understand what the book was about. Caitlyn offered to do this with the student on her own and it has been beneficial to her and the other student. I love to see them working together and getting those AR points.*

***Kamerun Depweg - Tina Schmitz***

*Kamerun Depweg is the student I would like to recognize .Kamerun is the eldest of five children. Kamerun enjoys many sports playing football, basketball, and baseball. Kamerun is in our math class. He has become an independent learner in our class this year. I can count on Kamerun to come into class and begin working. He tries to figure things out on his own before asking for help. If I am working with another student, he waits quietly until I am finished and available. Kamerun is always willing to assist another student when asked. He has shown great independence and leadership this year! With these qualities, we can expect great things from him in the future. I am very proud of you, keep up the great work Kamerun!!*

**Emma Lavey - Mindy Burgett**

I have nominated Emma Lavey for her work ethic and dedication to her skill development in physical education. Emma is the first to start practicing and the last to stop. She will practice as long as it take for her to master a skill. Emma never gives up even when the skill is hard for her. She is a great example of how being positive and sticking with it will improve your sport skills!

**Skipp Miller - Patrick Mckee**

I would like to nominate Skipp Miller for student of the month. Skipp is a freshman and the daughter of Summer and Skip Miller. Skipp just capped off her freshman basketball season in which she broke the single season rebound record by 80. Skipp was named the Defensive MVP and overall MVP of the varsity team during her freshman campaign. Skipp was 3 points away from being first team all CCC as a freshman, was second team all district, and honorable mention all state. All of this was accomplished while maintaining a 4.0 GPA throughout the first semester.

**Macy Cassel - Sharon Moore**

I would like to nominate Macy Cassel, an 8th grader for the April Student of the Month. Macy is the daughter of Amy Weaver. She always has a smile on her face and always has a positive attitude. When she gets her work done early, she helps other students in my class. If someone was absent the day before, she will sit with them and walk them through the instructions on the assignment(s).

**D. Staff Spotlight**

**Patrick McKee**

We would like to recognize Mr. Patrick McKee for all that he does for the district. Currently he teaches multiple math classes, serves as varsity girls basketball coach and National Honor Society advisor. Mr McKee has also been honored in the past as Bradford teacher of the year. Mr. Mckee works hard in establishing meaningful relationships with all students and staff in and out of the classroom setting. He worked hard in the fall to help implement the 1:1 Chromebook rollout and trained staff members on how to use GoGuardian. Mr. McKee also helped develop next years schedule by becoming part of the scheduling committee. We would like to recognize Mr. McKee, because he does so much more than teach children at Bradford. As administrators we are glad he is apart of our educational team as he is all that represents Bradford pride.
