

Bradford

Exempted Village School District Board of Education Meeting

Today represents the first regular meeting of the Bradford Exempted Village School District Board of Education without Pastor Louie Reindel. As a result of his vacancy, the Board of Education has interviewed interested candidates from the community and after consultation with the Ohio School Boards Association and the Bradford EVSD legal counsel, Mrs. Holly Hill was appointed at the March 13, 2023 special Board meeting. The oath of office was administered on Monday, March 20, 2023.

Congratulations, Mrs. Hill!

March 21, 2023

STUDENTS OF THE MONTH

Evelyn Biddlestone - Nominated by Mrs. Erwin

Evelyn is 8 years old and lives at home with her mom, dad, sister, brother, and whole lot of animals. Evelyn enjoys watching movies, eating powdered donuts, and cleaning her room. At school, Evelyn has found a new love for writing. She has been working diligently to finish a comic that her class is publishing. At school, Evelyn is an extremely hard worker. She is always committed to trying and doing her absolute best. Evelyn is an excellent role model for other classmates and always tackles new challenges with a positive attitude. Evelyn's caring and friendly character doesn't stop in the classroom. During her conference, her parents stated that they've only ever seen Evelyn mad once, and that was when her dad stole her powdered donut. Above all, Evelyn can always be counted on to lend a helping hand to both staff and students. With a home filled with animals, it comes by no surprise that Evelyn hopes to one day become a vet. If Evelyn could change anything in the world it would be to have certain things for free, like a certain breed of dog she hopes to one day own. I am eager to see what great things Evelyn will accomplish in this final quarter of second grade! Keep smiling Evelyn because we need more of you in this world. Great job Evelyn & Congratulations!

Marlie Phillips - Nominated by Mrs. Victoria Schmitz

Marlie is 8 years old and lives at home with her mom, dad, and uncle. She has three dogs names Bella, Buddy, and Toga. Marlie wants to be a singer when she grows up. Her favorite color is pink and she loves to play with her dogs. Her favorite thing to do at school is writing. She likes writing because it is fun. Marlie is an outstanding student to have in the classroom. She is kind, considerate, hard working, and all around a wonderful person. Marlie is a hard worker in class and will always help other people or ask questions when she is unsure of something. She always puts others first and makes sure to help is there is a problem. Marlie will help to cheer someone up if they are sad and always makes sure everyone is following the rules. Marlie is very responsible in the classroom and has her work out ready to go when she is asked to. Great Job Marlie & Congratulations!

Katie Hamric - Nominated by Mr. Dylan Parke

Katie came to Bradford this year but since the beginning of the year, she has impressed me every single day. She walks in everyday with a smile on her face and a bright disposition which helps make the classroom a healthier and brighter place. Her desire to succeed and the extra mile she goes to learn and understand is something I truly value. I can tell her desire to succeed and be her best rubs off on those around her. She is never afraid to come to me with concerns or questions. She wants to understand and make sure she is on the right track and it really shows me her desire to not only get the correct answer, but to learn. Often students only care about getting the right answer but she seeks to understand to find the right answer on her own. She gives her all to any assignment I give, it doesn't matter if it's a project, test, notes, or worksheets. All in all, Katie is a phenomenal student and an equally amazing person and I know with her work ethic and personality, she will do great things in life. Great Job Katie & Congratulations!

Damion Long - Nominated by Mrs. Crystal Yingst

I am nominating Damion Long as Bradford's Board of Education Student Spotlight. You can always count on Damion to provide a 'Good Morning' every morning with a smile on his face. He is helpful in the classroom and ensures that all of his classmates have all the supplies that are needed for the class. Damion is willing to put others first and has become a leader in my math and language arts classes. He is willing to help classmates complete work and assists them when they are struggling. I can rely on Damion to help out in the classroom and run errands when needed. Damion has also shown tremendous growth academically. This is my second year having Damion in my classes and everyday he works harder than he did the day before. He never complains about the complexity of the assignments and comes in each day ready to learn. Great Job Damion & Congratulations!
