STUDENTS OF THE MONTH

Kara Anders

-Nominated by Mrs. Royer

I would like to recognize Kara Anders for being an all-around great student in my classroom. Kara is six years old and the daughter of Christy and Chad. She has three brothers and two sisters. She enjoys drawing pictures, gymnastics, and playing games with her mom. Purple is her favorite color, and she loves pizza. At school, she enjoys math because she is good at it. Her favorite books are Pete the Cat books because they are funny. When she grows up she would like to be a teacher or an artist. She enjoys meeting new people and making friends.

Kara is a great example of someone who follows the 5R's. She is responsible and respectful to her peers and adults. She always has a smile on her face and encourages others. She participates in class and puts forth her very best effort. She never gives up when things are difficult. Her positive attitude, sweet disposition, and determination will help her achieve any goal she sets. I am grateful that she is part of my class this year and can't wait to see what the future holds for her. Keep up the great work Kara!!

Keeva Brandt

- Nominated by Mrs. Newton

I would like to recognize Keeva Brandt for student of the month. Keeva is the six-year-old daughter of Whitney and James and she has two brothers. Keeva's favorite colors are all the colors in the rainbow. She loves Elephant and Piggie books and her favorite food is watermelon. She enjoys seeing her friends and playing with them at school. When Keeva grows up she wants to help animals.

Keeva always does her best to be respectful and she is always kind to others. She is great at being responsible. Keeva is always one of the first students to follow directions and do what is asked of her. She always tries her best to do what is right even when nobody's looking. I am so thankful I get to be Keeva's teacher! Keep up the good work, Keeva.

Emily Miller

Nominated by Mrs.Link

I am nominating Emily Miller for student of the month. Emily is one of those students who will sit back and be quiet in the background, but yet be completely involved in the conversation. She is always willing to give a word of encouragement to anybody who is feeling down, and she always has a smile on her face. She has a great work ethic and an overall positive attitude. There is no student I can think of who deserves this more.
