# STUDENTS OF THE MONTH

# Hunter Gilbert - Nominated by Mr. Grillot

I would like the Bradford Board of Education to recognize Hunter Gilbert. Hunter is the son of Casey and Tony Gilbert. Hunter is a hard worker who always has a great attitude. He is almost always wearing a smile on his face and is a joy to be around. He leads by example by staying on task to make sure he gets his work completed and by modeling classroom rules. He is very kind to his peers and treats others with a great deal of respect. Great Job Hunter & Congratulations!

# Natalie Rank

## - Nominated by Mrs. Frey

Natalie Rank is currently a third grade student at Bradford Elementary. I have nominated her for recognition because she truly demonstrates what it means to be 'Bradford's Best'. Natalie comes to school every morning with a positive attitude and a smile on her face. She goes out of her way to help others physically and emotionally. This altruism has helped create a more positive and peaceful environment in our classroom and school. Another characteristic that Natalie possesses is dedication. She works hard and pushes herself to be her best on whatever she is doing. With these qualities, Natalie is a natural role model for our class and school community. She continually demonstrates this exemplary behavior, which will lead her to accomplish any goal that she sets for herself in life. I cannot wait to see the success that Natalie has this year and in her future career.

# Dalton Reck

## Nominated by Mrs. Moore

I would like to nominate Dalton Reck for the November Student Spotlight. Dalton has been in the Publications' Class for three years. This year and last year, he was/is the yearbook editor and the Roder Show producer. It's amazing how he can come up with all of the ideas for the Roder Show. He tries new ideas on his yearbook pages. I have Dalton in my other classes and he helps the students that are sitting by him, which helps me when I need to help other students in the room. Dalton is a "take charge" person. I know if I need something done, Dalton will do it in a timely manner and give me quality work. Great Job Dalton & Congratulations!

# Isley Gambill

## Nominated by Mrs. Lear

I am happy to have Isley Gambill as our November Student of the Month. She definitely is a role model in representing our 5 Rs. Isley has such a big heart! Selfless, caring, and hardworking are just a few ways to describe what a great student she is. Isley consistently puts the best interest of others ahead of her own. She is a friend to all and offers a helping hand to any student or teacher in need. Being polite is just part of who she is and how she treats others. She doesn't draw attention to herself, but she does what needs to be done. She actively participates in class and does a nice job on her work without needing praise or attention. We can always count on her to do the right thing whether we are watching or not. It has been a true pleasure to have Isley in my class and I am proud to have Isley represent the sixth grade class as our Student of the Month.
