

# **BRADFORD ELEMENTARY**

October 19, 2016

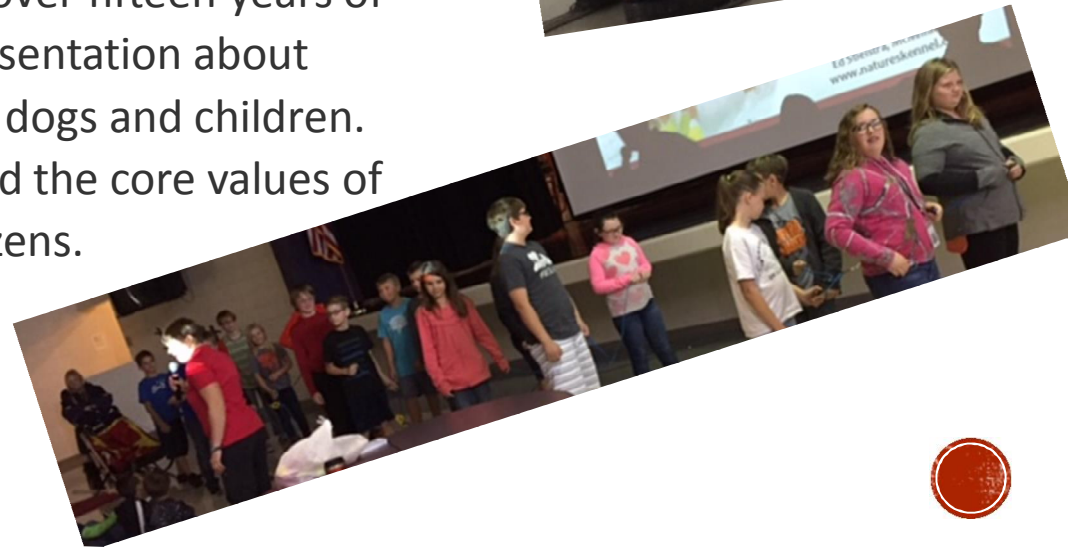

# PUMPKIN SHOW...

# ARTS IN EDUCATION

- On Tuesday, October 11, students in grades 4-6 had an Arts in Education assembly. Below is information about the assembly:
  - Musher and educator Tasha Stielstra has combined her five years of classroom experience with over fifteen years of mushing to create an interactive presentation about teamwork and how it relates to sled dogs and children. "Pulling Together" is centered around the core values of being safe, kind and responsible citizens.

# **ON-GOING FUND RAISER**

Bradford Elementary will be participating in an on-going fund raiser. Parents, families, and friends are invited to register at “schoolstore” online. Then, when they purchase items online from the participating stores, such as Kohls, JC Penneys, etc., the school will receive a portion of the purchase. It’s that simple. Hopefully this will bring money into the school without needing to sell items, pick-up items, or any of the work of a traditional fund raiser.

# **DROP-OFF AND PICK-UP**

Thank you to Mrs. Lavey, Mrs. Gehret, Mrs. Mueller, Mrs. Cable, Mrs. Schmitz, Mrs. Sargent, and Mrs. Johnson for volunteering to help make our drop-off and pick-up procedure safer. These teacher volunteers are visiting other school districts to observe their pick-up and drop-off procedures. We will then, hopefully, come up with a new plan for Bradford.

# STATE OF OHIO – WRITING PILOT

Students in 4<sup>th</sup> and 5<sup>th</sup> grade will be participating in a writing pilot. This writing assessment will be given on the computer during the week of October 17-21. Time to complete the assessment is one hour.

# FIELD TRIPS

Providing learning opportunities outside the classroom walls is very valuable for students. We have several field trips this month:

- 3<sup>rd</sup> grade – Charleston Falls
- 5<sup>th</sup> grade – Bruckner Nature Center
- 3<sup>rd</sup> grade – Ohio Caverns
- Kindergarten – Brumbaugh
