Bradford February Students of the Month

The student I am recognizing is Destiny Serio. Destiny is a third grade student. She has made really good progress in math this year. She is putting forth lots of effort and working independently until she encounters a problem she does not understand. This is another area of improvement, asking for help when she does not understand something.

Destiny is one of our representatives on the Elementary Student Council. She enjoys helping others and being a leader. I can count on Destiny to follow the rules and show kindness to others.

Congratulations Destiny! I am very proud of how hard you have been working this year!

Aydon Baker
Board Recognition

I would like to recognize Aydon Baker. He is a 4th grader in Mrs. Roberts homeroom. While he is a new student to our building, he fits in very well. It is not always easy coming to a new school and he has fit in well with his classmates. He is hard working and continues to work hard even when it comes to skills that he struggles with. He is very polite and you can find a smile on his face most of the time. It is nice to have Aydon Baker now in our Bradford School family.

Owen Canan - Mrs. Osborne

Owen is an 8th grade student and the son of Kim and Casey Canan. Owen is a respectful and responsible student, who has shown great maturity and grit. Owen helps his peers in class. He has maintained fantastic grades, while being very involved in Bradford athletics. He participates in baseball, basketball, football, and cross country. I am happy to have had the privilege to teach Owen for the past two years. Owen is a student who makes Bradford proud every day! Congratulations Owen!

Alice Rush - Mrs. Link

I am nominating Karissa (Alice) Rush for student of the month. Alice is always always cheerful in class and always seems to have a contagious positive attitude. She is always willing to help out others around her with anything from schoolwork to just providing a friendly ear to listen. In class she is not afraid to voice her opinion, and will respectfully start a discussion with her classmates on topics that matter to her. I can see that her classmates respect and look up to her. She is a wonderful person to be around. Congratulations Alice!

Bradford School Family SPOTLIGHT

Thanks to all the staff, parents and students for being united and taking care of each other in a difficult situation.

Community Spotlight

A Big Thank you goes out to Common Ground Christian Church for helping the school during the scare that we had last week. Rebecca, Dan and the the other congregation members that helped out were such a blessing!
