# ***Bradford January Students of the Month***

**Dylan Dunlevy**  
**Mrs. Clark**

Dylan Dunlevy is receiving this award because he has made huge growth during the first half of the school year. He has strengthened his independent, academic, and social skills a great deal. Dylan is also not afraid to ask for help or clarification when needed. Lastly, Dylan works well in small groups and is always willing to lend a helping hand.

## **Steven Greer**

### **Mrs. Fry**

The student I am choosing for the Spotlight Award is Steven Greer. Each morning I look forward to his greeting! He always has a story to tell and a smile on his face. He is a hard worker and displays all the qualities of a PAX leader. He can read all the red words, identify all the letters and sounds we have learned so far and is working on early reading! He also does very well in math. I am extra proud of the effort he puts in each and every day. Steven is a model student, he listens and participates during the school day. Not only that but he plays well with his peers at recess and helps them if they need help. When we walk down the hallway I can always count on him being Bradford's best! I truly enjoy having him in my classroom! Way to go Steven, keep up the good work!

**Colt Sink**  
**Mrs. Ridout**

I would like to recognize Colt Sink from my kindergarten classroom. He is the son of Rusty & Jamie Sink. Colt has one brother, Cooper. Colt enjoys Mario. Colt has many friends at school and does a good job following directions and completing tasks. He brings a lot of knowledge and ideas to the table. He is working on first and second grade sight words as he has mastered his kindergarten sight words. He is reading first and second grade level text easily and comprehends what he is reading. In math, Colt is able to add and subtract multi digit numbers. He is learning to count money. He does his best in and out of the classroom so that he can continue to show growth. He helps out his classmates when they need assistance. I enjoy having Colt in my classroom. For those reasons and many more, I would like to recognize Colt Sink.

**Amy Wright - Mrs. Moore**

I would like to nominate Amy Wright, a 6th grader for the January Board of Education Student Spotlight. Amy goes over and beyond what needs to be done on her assignments. In one of her assignments, they had to create a scary story and she did a great job on being very descriptive. The story had to be at least three paragraphs and it was five paragraphs with 868 words. I like how when she sits down, she's ready to work and she will keep working until it's done. When she's done with her work, she will come to me and ask what she can do next. Also, Amy is a very polite young lady. Keep up the good work, Amy!

**Sarah Beckstedt - Mr. Latino**

**My nominee for Student Spotlight is Sarah Beckstedt. Sarah is in my Algebra 2 class this year as a sophomore, and she is my nominee because I think she is a "most improved" student since I last had her in class when she was in 7th grade. Sarah pays attention in class, works hard to learn, and asks me questions when she needs to. She was very quiet and reserved as a 7th grader, and she has become more outgoing now that she is in high school. Mathematics isn't a subject that comes easily to Sarah, but I am so impressed with her effort and the fact she earned a B+ in the second quarter this school year. Congratulations Sarah!**
