STUDENTS OF THE MONTH

Carter Sprankle

Nominated by: Mrs. Clark

I would like to recognize Carter Sprankle as this month's Bradford Board of Education Student Spotlight. Carter Sprankle has made great progress in the first half of the year. He is a very hardworking student, and puts one hundred percent into everything he does. He has a great ability to retain information quickly and efficiently. Carter also works very well during partner work and small groups. He is a pleasure to have in class, and I am very proud of what he has accomplished thus far!

Jasper Davis

Nominated by: Mrs. Ridout

I would like to recognize Jasper Davis as this month's Bradford Board of Education Student Spotlight from my Kindergarten classroom. He is the son of Jonas and Courtney Davis. Jasper has one brother, Nash. Jasper enjoys playing with his classmates at recess. He is very knowledgeable and has a great vocabulary. He knows all his letters and sounds and the sight words that we have learned this year. He is blending letters together to make words and is able to read easy reader books. He does well in math and is able to add and subtract, as well as write and count numbers past 100. He is a role model for other students with his great behavior. He listens intently and follows directions. He has worked really hard this year on his handwriting as it was a struggle at the beginning of the year but he has made a lot of progress. I enjoy having Jasper in my classroom. For those reasons and many more, I would like to recognize Jasper Davis. Congratulations Jasper!

Amy Wright

Nominated by Mrs. Osborne

I would like to recognize Amy Wright as this month's Bradford Board of Education Student Spotlight. She is doing a fantastic job in 7th grade math so far. She completes all assignments on time and uses class time wisely. She is respectful and has a great attitude.

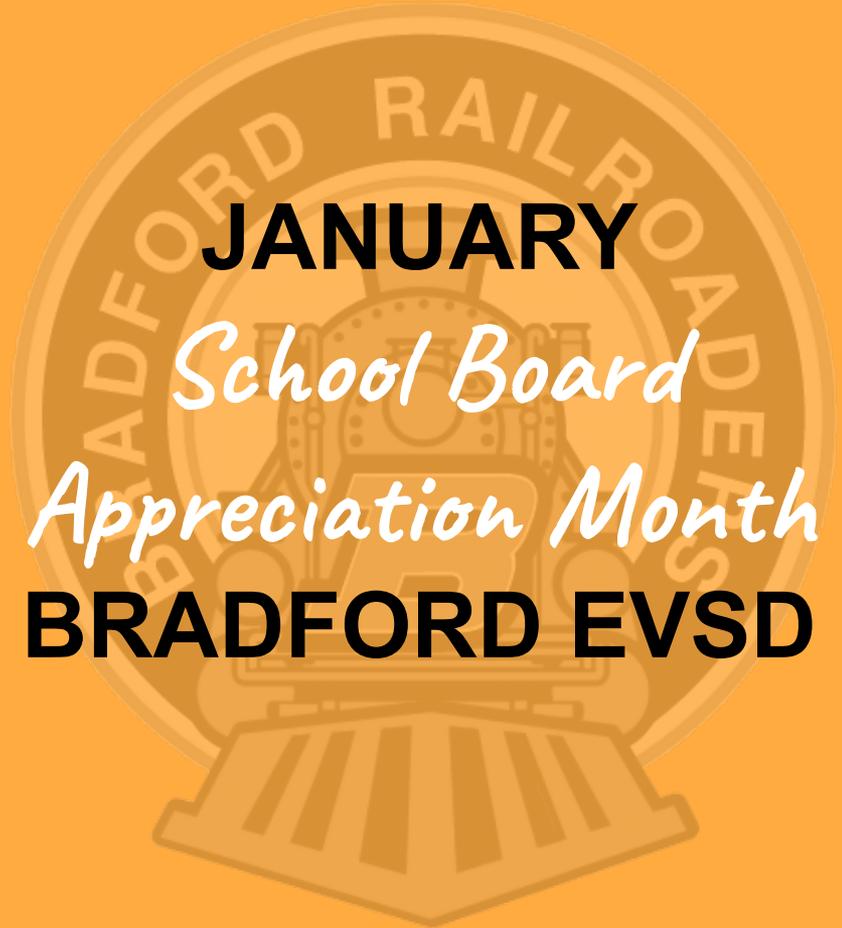

Ryanna Thomas-Kennedy Nominated by Mr. Parke

I would like to recognize Ryanna Thomas-Kennedy as this month's Bradford Board of Education Student Spotlight. She always enters the classroom and immediately says "hi" with a smile on her face. She goes above and beyond with her work and is always asking for help and for guidance. She will even ask me questions during lunch as to how her work was and how it can be better. She will email me to have me proofread her papers and give guidance. Ryanna has always been a phenomenal student, but she is also an amazing person. Her bright attitude and personality is infectious to those around her and she makes class such a pleasant place to be. Ryanna is truly a benefit to this school environment and is a clear depiction of what it means to be Bradford's best

THANK YOU!

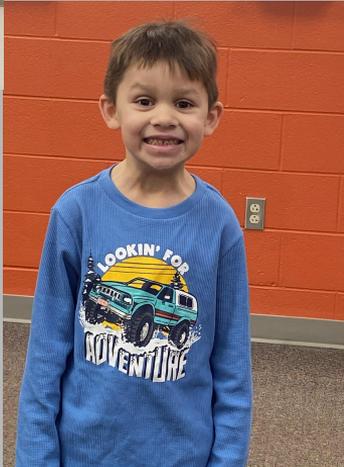

WE APPRECIATE YOU!
