Bradford Students of the Month

Jaxson Brewer

Jana Berning BOE Student Recognition:

I would like to nominate Jaxson Brewer for being an all-around fantastic student in my classroom. Jax is 6 years old and the son of Amanda and Damon Brewer. When Jax grows up, he wants to be a construction worker because he likes to build things like little toy houses with his dad's help. Jax can be caught during every inside recess building all sorts of things out of Legos. Jax's determination and hard work that he shows in the classroom will make him perfect for this job. Jax has four older siblings. Jax's favorite part about school is gym class; this is not surprising to me that he enjoys being in a social setting and is a great friend to all. Jax is very driven and a great leader, which will help him achieve any goal he sets for himself now and in the future. I am thrilled to have had Jax in my class this year. Keep up the hard work!

Garrett Yingst

Lori Royer/ BOE Recognition March, 2021

I would like to recognize *Garrett Yingst* for being an all around great student in my classroom. *Garrett* is seven years old and the son of *Dusty* and *Crystal*. He has a sister named *Ainsley*. He loves to play video games with his cousin and someday hopes to get a PS5. His favorite books are *Dr. Seuss* books because they rhyme and are funny. He enjoys playing baseball, soccer, and basketball, but football is his favorite because you get to do cool dances when you score. At school, he enjoys recess and solving math problems. When he grows up he wants to be a farmer and grow corn ("*Corn gets you the most money*").

Garrett is a STAR Railroader. He is responsible and respectful to his peers and adults. He always has a smile on his face and something to share. He participates in class and always puts forth his very best effort. He never gives up when things are difficult. His friendly disposition, positive attitude, and determination will help him achieve any goal he sets. I am grateful that he is part of my classroom this year and can't wait to see what he accomplishes in the future. Keep up the great work *Garrett*!!

Bradford MS/HS School

Elizabeth Skinner - Mrs. Lear

Elizabeth is an 8th grade student and the daughter of Chad and Candice Skinner. Elizabeth is always doing her best and puts in 110% everyday. Elizabeth is the first person to do what is asked and exceeds expectations. Elizabeth is always positive and encouraging to her classmates. She is the biggest help and someone I can always count on. Elizabeth is the kind of student that Bradford EVSD is proud to have. Congratulations Elizabeth!

Bradford MS/HS School

Macy Cassel: Mr. Parke

I chose Macy for my student spotlight, because she always comes into the classroom with such a positive attitude and that is something that really helps set the tone for the classroom that day. She comes in with a smile and even if she was having a horrible day, you would never know, because of her positive outlook on things. She is always asking questions and offering up answers during notes and discussions. Whenever we do projects she **always** does an amazing job of making sure her work is completed and not just done, but done well and to expectations. She is respectful, intelligent, and a benefit to the classroom environment. Her dedication to her schoolwork, friendships, and job is something I really see in Macy and it is something that makes her truly stand out as the amazing person and student she is here at Bradford. Congratulations Macy!

Staff Recognition

Katie Frey

Nominated by David & Debra Brush (Parents of Adam Brush)

We would like Mrs. Frey to be nominated for Staff Spotlight. She has been so understanding and patient with Adam. She does her best to help Adam to make sure that he understands the work that he is given. Adam keeps saying, "she is really nice to me and doesn't get upset with me when I don't understand something." We really think that she should be recognized as being an Awesome Teacher!

WINNER, WINNER

Abby Gade in Mrs. Moore's publications class designed a winning billboard for the Miami County Solid Waste Department. She was chosen out of 79 entries. Her billboard is displayed on 25A between Troy and Piqua

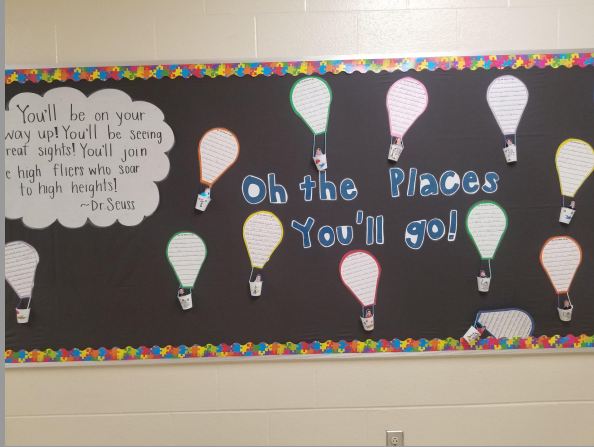

Snow Ice Cream

With all the snow we received last month, the student in 2nd grade and Mrs. Schmitz class got to follow a recipe and make snow ice cream!
