

Bradford

Exempted Village School District
Board of Education Meeting

Will begin shortly

October 19th, 2021

STUDENTS OF THE MONTH

Micah Peeples

Nominated by: Dustina Erwin

Micah is 7 years old and lives at home with his mom, dad, brother, sister, two dogs, and twelve cats. Good thing the Peeples have plenty of cats to go around because playing with them is one of Micah's favorite things to do! In addition to cat play, Micah enjoys riding his bike in the cemetery with his sister, playing soccer, and eating spaghetti. At school, Micah loves lunch and math because he said both are easier than reading.

At school Micah is an extremely hard worker. He is always committed to trying and doing his absolute best. Micah's kind, caring, and friendly character make him a role model for all classmates. Micah tackles new challenges seriously and with a positive attitude. Above all, Micah can always be counted on to lend a helping hand to both staff and students. Although it's only been a short 30 days I've spent with Micah, I am eager to see what amazing things he accomplishes in 2nd grade. I would take a class full of Micahs any day!

Braxten Seman

Nominated by: Jamie Sink

I would like to nominate Braxten Seman for the Board Recognition. Braxten lives at home with his mom, Kayla, and dad, R.J., and his dog, Charlie. In his free time, Braxten enjoys playing with Charlie, playing outside, and playing baseball. Braxten shows up to school everyday with a smile on his face. He knows the morning routine and gets started on his XtraMath right away. He is kind and helpful, and always has something to share. I know I can count on Braxten to help another student or to run an errand for me. Braxten always tries his best and participates in class discussions. It is a pleasure to have Braxten Seman in my class. He is a model Railroader!

Maci Hauschild Nominated by Mr. Latino

My student of the month nominee is Maci Hauschild. Maci is currently a freshman in my Geometry class. I first had Maci as a student two years ago, and I found her to be a very quiet student who did not ask questions and had quite a bit of difficulty with math. Two years later, she is still a quiet student, but she actively participates in math class by asking questions to make sure she understands the content correctly. Maci never seems to have a bad day; she is always pleasant and respectful, and she pays attention and works hard to learn math. She never complains, and she always follows directions in class. The primary reason I have nominated her is because I see her as a “most improved” student from seventh grade to ninth grade.

Zeb Lavey

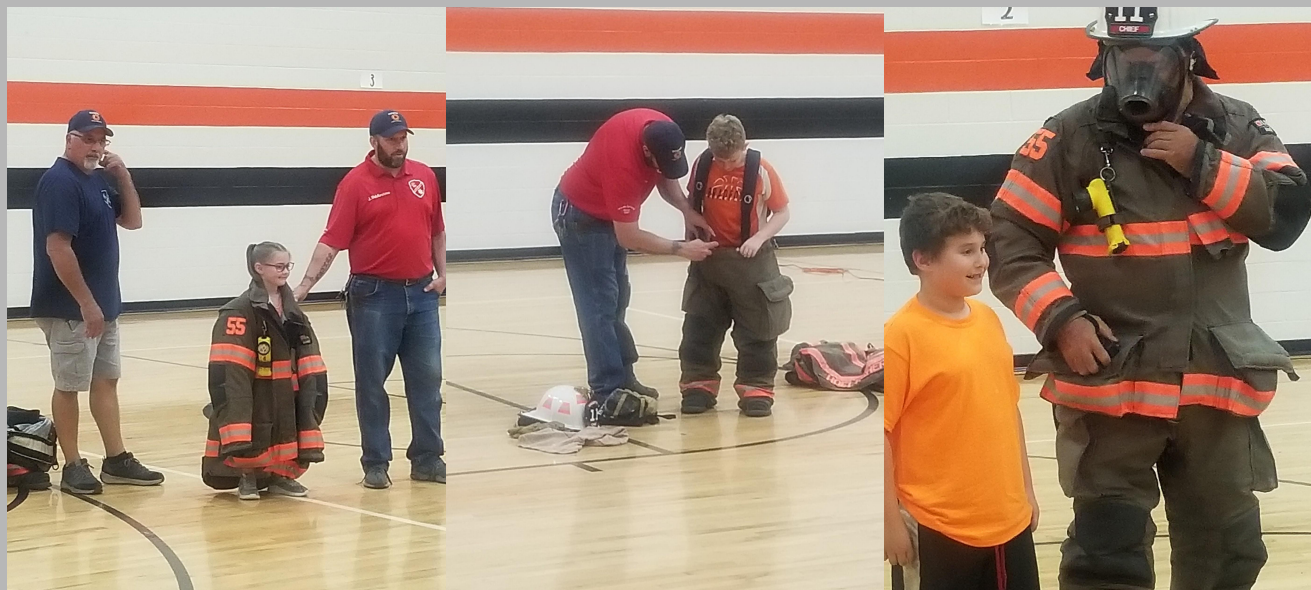

Nominated by Mrs. Sneed

I would like to recognize sixth grader Zeb Lavey as Bradford's Student of the Month. Zeb is the son of Doug and Debra Lavey. His sisters are Daphne and Emma Lavey. Zeb is such a hard worker, and he is a pleasure to have in class. Zeb always turns in quality work, and it is turned in on time. Earlier this school year, Zeb had to quarantine for several days. While home, he completed all of his schoolwork...and even some extra work that he didn't have to complete. In class, Zeb is willing to help a struggling classmate, and he behaves as a sixth grader is expected to behave in class. In Zeb's spare time, he participates in 4-H and shows chickens at the Miami County Fair. Zeb helps the Bradford High School Marching Band at football games. He also likes playing video games and watching YouTube. Zeb is a great individual, and he is such an awesome addition to my classes. He is a terrific role model to his classmates. Zeb, congratulations on being named Bradford's Student of the Month.
