

# Guided Reading and Guided Math Teacher Meetings

Instruction that meets the students needs

## If a Student is Struggling

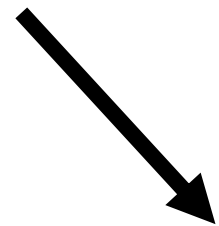

Try  
something  
new

*Academic or behavior*

Have a positive  
meeting to  
come up with  
ideas

Teachers check  
for  
improvement.  
Meet again

# When RTI needs Parent Involvement

—————→ Parent Meeting

Everyone brings three ideas to help the student.

Meetings will last around 20 minutes. Students will attend with their parents and teachers.

# Stay Positive!

Ideas for Parents	Ideas for Student	Ideas for Teacher
Read with my child every night	Complete homework every night before video games	Teacher sends home a copy of notes for the student to study
Set a chore list at home	Stay in the seat until the task is completed	Teacher gives a “heads up” before it is time to change activities
Check my homework each night	Secret signal when I am struggling	Break activity into small parts so I don't feel rushed
