BOARD PRESIDENT'S REPORT: DR SCOTT SWABB

- A. Welcome
- B. Review of Agenda
- C. Student Spotlight

Sophia Lacy - Mrs. Jaclyn Bensman

I would like to nominate Sophia Lacy for recognition. Sophia has always been a quiet leader in our classroom. She is constantly following directions and being a PAX leader. At the beginning of the school year, she was a little shy, but now she will go up to any friend and remind them what they should be doing. I love the way Sophia is very competitive. She is always trying to be the best there is, especially in clipping up to purple. I hope this competitiveness and her strive to be the best that she can be continues throughout her school years. I am proud to have Sophia Lacy in my classroom. She is a wonderful example of what Bradford's best students look like. Thank you and keep up the good work.

Greyson Trevino - Mrs. Jessica Ridout

I would like to recognize Greyson Trevino from my kindergarten classroom. He is the son of Bill & Patches Trevino. Greyson has four brothers, Gavin, Garrett, Griffin and Grady. Greyson enjoys art and drawing. His favorite days of the week are the days we go to art with Mrs. Johnson. Greyson has many friends and is very helpful to his teachers and classmates. He shows integrity and is a very honest person. He brings a lot of knowledge and ideas to our classroom. He works hard and knows all of his sight words. He is working in leveled reading with Mrs. Siefring on more difficult skills. He also works at a higher math level and is being challenged by Mrs. Gehret on a daily basis in that subject area. He always tries his best and is always joking around with his friends and teachers. I enjoy having Greyson in my classroom and for all those reasons and many more, I would like to recognize Greyson Trevino.

Brileigh Diehl - Mrs. Ashley Fry

The student I am choosing for the Spotlight Award is Brileigh Diehl. Brileigh is a teacher at heart. During her free time at school, and at home, you will hear her playing school. You

will see her practicing sight words and letters with other students. You may also find her telling them to move their clip down if they are not displaying the qualities of a PAX leader. She is a natural! Besides teaching she has shown interest in horses and doing puzzles of all sorts. She has made several friends in the kindergarten class and they all love to spend time with her at lunch and recess. Brileigh is always looking for ways to help out in the classroom or lend a hand to a student in need. I can always count on her to do her best work and when we are not working be a model student. Brileigh is respectful and responsible and can be found doing the right thing even when no one is watching. She has a very bright future ahead of her and I can not wait to see where this journey takes her. Congratulations Brileigh!

Elizabeth Skinner - Mrs. Laura Sneed

I would like to recognize Elizabeth Skinner as Bradford's Junior High Student of the Month. Elizabeth is the daughter of Chad and Candice Skinner. She loves books, her dog, and spending countless hours outside.

During her first semester of junior high, Elizabeth earned honor roll both quarters. She earned a 4.0 during the second quarter, and she will most likely accomplish that same feat during the third and fourth quarters. Elizabeth is a hard worker, and she will do anything that is asked of her. She always completes her work on-time, and it is always very well thought out and detailed. Elizabeth has gone above and beyond this year with earning Accelerated Reader points. By the end of February, Elizabeth had earned 81.2 Accelerated Reader points, which is a little more than double her goal for those months. Elizabeth is such a genuine individual, and I am so lucky to have her in my classes. She's a terrific role model to her classmates, and the world needs more people just like her. Elizabeth, congratulations on being named Bradford's Junior High Student of the Month.

James Weldy - Ms. Angie Szary & Mrs. Crystal Yingst

We would like to recognize James as our Middle School Spotlight of the month for March. James moved here from Alaska and was previously homeschooled. He has adjusted well and continues to make positive strides in his education and social adjustments. James has a wonderful attitude and personality. He comes in every day with a smile on his face. James has worked hard to improve his grades as he started off a little shaky at the beginning of the year. He often comes in early to work on math assignments and to receive extra help. James doesn't complain and continues to show improvement. James is very creative in his written work, which includes sarcasm and the occasional joke. He has a great sense of humor and claims that he creates his own jokes. After high school, James would like to work at Taco Bell because they have all of his favorite food. He is the son of Marcus Weldy and Becky Weldy.

D. Staff Spotlight

Jaclyn Bensman - Mrs. Michelle Lavey

I would like to recognize Jaclyn Bensman for the amazing teacher that she is for our students. She is the teacher of the Begindergarten class for our young kindergarteners, this is the first year for this program. She took the challenge of the class and made sure to do some research to get students to reach their fullest potential and oh how they have. She has taken students that didn't talk and cried at kindergarten screening and some are now reading, writing and carrying on conversations. She is always trying to differentiate and make sure to do what is best for each individual student. She is helping our students to be advanced instead of struggling and she is a joy to watch in action.
