B. Review of Agenda

C. Student Spotlight -

***Brayden Venrick - Nominated by Mrs. Mueller***

*I would like to recognize Brayden Venrick as my Student of the Month for November 2020. Brayden is a 4th grader in my classroom. He is new to our Bradford School but he says he has always been a Bradfordian. He loves Bradford! He is the 9 year old son of McKayla and Chance Luther and Brandon Lantz. He lives in Bradford with his mom, step-dad, and his younger sisters, Nova and Olivia. He has a cat named Felix. His favorite thing to do at home is crafts with his mom. However, his all time favorite pastime is his love for football. He is a defensive lineman and a wide receiver for the Bradford Peewee football team. His favorite subject in school is math. He is currently our class banker in our Classroom Economy. He has told me, however, that he would like to be a NFL football player for the Cincinnati Bengals instead of a banker when he grows up! When I was asked to pick a student for this recognition, he immediately came to my mind. He is always so eager to learn, to share, and to help anyone. He goes above and beyond putting in effort for his classwork and being a great person. Being polite and friendly are just a few of his character traits. He has easily made friends with everyone. In the short time that I have known him. I have learned that he has a kind, caring heart of gold and I am so happy and proud to have him in my class this year. The Bradford school is very lucky to have him here also. He is a future leader of this Community!*

***Ava Hudelson - Nominated by Mrs. Roberts***

*I would like to nominate Ava Hudelson for student of the month. Ava is a student I can always count on to try her very best. Schoolwork isn't always easy for Ava, but she has grit and determination. She set a goal to go above and beyond her AR Goal, not only did she go above and beyond, she blew her goal out of the water! Way to go Ava! She works so hard in every class. She is always on task, she raises her hand to answer every question, and she is always willing to help a friend if needed. I am so proud of all the hard work Ava has put into being the best she can be in class. Just last week, a friend fell. Several classmates laughed at the student, but not Ava. She*

helped them pick up all of their supplies, and asked if they were ok. She has set high goals for herself this year, and I am so excited to see her work hard and reach those goals. In her free time, Ava enjoys cheerleading and playing with her dogs. Congratulations Ava! You should be so proud of all your hard work in the classroom and as an excellent friend!

**Madelyn Guillozet - Nominated by Mr. Delloma**

Madelyn Guillozet is an eighth grade student at Bradford Exempted Village Schools. Madelyn consistently goes above and beyond in the classroom. Whenever there is an opportunity for Madelyn to show her creativity she excels. This does not translate into her having an ego. When her work is highlighted in class she never takes the opportunity to gloat, but she always offers other students an insight into her thinking process. It is always beneficial to have a student who consistently goes above and beyond but is also willing to help any chance she gets. Congratulations Madelyn!

**Xavier Robinson - Nominated by Mrs. Estes**

For my student shout out, I am nominating Xavier Robinson. Although I haven't had Xavier in art class since he was in 7th grade, his politeness and good gestures have not gone unnoticed. While standing in the hallway before class and during class transitions, I have noticed that if someone drops a pencil, paper or book and even a runaway magnet, as others pass on by Xavier automatically notices and goes out of his way to pick it up for the person. He may think nothing of his small gestures, but his good deeds are much appreciated by all that have been a recipient of Xaviers act of kindness. Keep up the great acts of kindness Xavier!! You are an outstanding young man. Thank you. It's very much appreciated. Congratulations Xavier!

D. Staff Spotlight -

**Mr. Snyder - Nominated by Mrs. Lavey**

I would like to recognize Shane Snyder. During a difficult time not knowing whether we could continue in person learning, Shane stepped in and helped keep the district running. Shane also continued to make lesson plans and grade work for his "regular" responsibilities. He showed concern, compassion and planning for the high school. For example, we were short staffed and he found staff to help ahead of time. Thanks again Shane for being a leader and a great part of the K-12 student family.
