BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome
B. Review of Agenda
C. Student Spotlight

October Student Spotlight

**Caroline Gleason: (Mrs. Link)**
I am nominating Caroline Gleason for the student spotlight. Caroline is a junior, and she has really been shining this year in my class. This is my third year having Caroline as my student, and I have been able to see how much she has grown in that time. This year she is putting forth a lot of effort both in class and all the assignments she completes. During an assignment in which the class had to create their own myth, Caroline shared with the class a creative story on how the flowers were made. The overall improvement she has made this year from previous years, and the amount of effort she is puts into her work is the reason why I am nominating Caroline. After high school, Caroline plans on attending a community college so she can take some time to figure out exactly what she wants to do.

**Halley Petty: (Mrs. Zartman & Mr. Snyder)**
Mrs. Zartman says, this is Halley's second year here at Bradford. She has already become memorable student here at Bradford school. Halley stepped up and sang the National anthem at the first Jr. High football game. Halley has overcome a lot and sees using her voice as her way of being in sports. She wants to sing at as many sporting events as she can. I'm lucky to see her bloom into the beautiful person she is becoming. Thank you Halley for being part of Bradford school and community. Mr. Snyder says Halley had a really good week in the weightroom during PE class. Not only did she try her best, she tried new exercises while encouraging other students to try new things and try their best. Great job, Halley.

**Raiden Wombold: (Mrs. Roberts)**
I would like to nominate Raiden Wombold for student spotlight. Raiden is the kind of student every teacher wants in their class. He takes his job in our classroom economy very seriously. As
Chief Meteorologist, he reports the weather daily. He never hesitates to help when he sees someone in need, and is kind and polite to everyone. He is always on task and never needs reminders about turning in work. Raiden is a great student and I am lucky to be his teacher!

Jasmine Brown: (Mrs. Clark)
The student I would like to spotlight is Jasmin Brown. Jasmine is always a pleasure to have in class. She works very hard on independent assignments, and is never afraid to ask for help. I also admire her for constantly including left out classmates, especially when we are working in small groups. Jasmin’s positive attitude is contagious, and she always brightens her classmates and my day. If I were to choose one growth mindset role model in my room, I would choose Jasmine Brown.
