BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome

B. Review of Agenda

C. Student Spotlight

From Kindergarten Teacher Ashley Fry who presented Kennedy Hale to the Board:

The student I am choosing for the Spotlight Award is Kennedy Hale. She is always displaying the qualities of a good PAX leader. I can always count on Kennedy to help whenever another student is in need. Kennedy’s favorite color is purple and she loves to play with her Barbie Dream House. Her favorite thing to do in school is draw pictures. Kennedy’s favorite movie is Paddington 2. Kennedy is a pleasure to have in my class and I know that she has a very bright future ahead of her. Congratulations Kennedy!

From Kindergarten Teacher Jessica Ridout, absent, presented to Eli Wackler from Mrs. Lavey):

I would like to recognize Eli Wackler for being so helpful and hardworking in our kindergarten classroom. Eli is the son of Jason and Kristina Wackler. Eli has two sisters, Ally who is an 8th grader and Lauren who is a 4th grader. Eli enjoys farming and hunting. He talks about these activities all the time. At the beginning of the year, Eli was very quiet and reserved. He has really come a long way socially. He has many friends in the classroom because of his giving and helpful nature and enjoys playing with them at recess. He is always helping me out even when I do not ask for help. He just has integrity and does the right thing even when no one is watching, whether he is getting rewarded or not. He always gives his best effort and is doing well in kindergarten. He does very well in math and always tries his best in our guided reading group. It is for these reasons that I chose to recognize Eli Wackler.
From Teacher Crystal Yingst, absent, presented to Emma Smith from Matt Triplett:

I would like to recognize Emma Smith for February’s student spotlight. Emma is the daughter of Kammi Hudelson and Trevor Smith. She enjoys cheering, reading, sleeping in, and playing on her phone. Emma has shown a ‘never give-up’ attitude throughout any task in the classroom that she has been asked to complete. She works hard to provide well-constructed, detailed responses no matter how long it takes her. After falling behind in her work during the first quarter, she has refocused and shown great improvements in the following quarters. She always comes in with a smile on her face and an interesting story and/or fact to share. I know that I can count on Emma to help out in the classroom. Emma is a pleasure to have in class.

From Teacher Zachary Delloma, absent presented to Corey Cotrell by Matt Triplett:

I would like to recognize Corey Cotrell for February’s student spotlight. Corey is a sophomore and the son of Angie and Shawn Cotrell. Corey’s curiosity is what makes him special. He is always willing to further his learning or help his peers or even his teachers. Whether that is helping someone study for an amendment quiz in government class, troubleshooting issues with the schools 3D printer or helping a teacher develop an earthquake machine for a lesson in another class. Corey is always willing to go above and beyond for his peers and teachers. His willingness to use his own personal strengths for not only his benefit but for the benefit of others is what makes Corey a special student here at Bradford High School.

D. Staff Spotlight

From Michelle Lavey presenting to Cindy Angle

I would like to recognize Cindy Angle for all the work she puts in that is above and beyond what is needed. Cindy has done a great job being a mentor to the younger staff time and time again, they truly rely on her and use her for her wealth of knowledge. She also is an advocate for making sure the students are ready for the 21st century in incorporating technology to be prepared to be the future. She is an amazing educator who has the drive and heart to continue to exhibit what all educators should be.
