BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome

B. Review of Agenda

C. Student Spotlight

Katie Frey introduced Carson Maxwell. Carson is currently a third grade student. Although I have only had the privilege to work with Carson for a few short weeks, his dedication and positive attitude already stand out in our classroom. Carson walks in every morning with a smile on his face, eager to start the day. Regardless of the task at hand, Carson completes it to the best of his ability and never complains. He is a wonderful role model to his peers and is always willing to help others. Carson is capable of accomplishing any goal he sets for himself and I am excited to see what dreams he is able to reach this year and throughout the rest of his life.

Katie Frey introduced Piper Burgett. I would like the Board of Education to recognize Piper Burgett. Piper is the daughter of PJ and Mindy Burgett. She has three sisters, Belle, Zoey, and Lennox. She enjoys participating in gymnastics, going to COSI, Scene 75, and King’s Island with her family. She has two dogs, Reba and Demon, and a bunny named Trixie. Piper is a very polite student who always has a great attitude. She comes into the classroom every day with a smile on her face and a willingness to help out. She acts as a great role model to her peers by following directions, working hard, and being kind. Within the few short weeks that I’ve had to get to know Piper as a student, I can tell that she enjoys learning new things and helping others. It is an honor for me to have the Board of Education recognize Piper Burgett.

Matt Triplett introduces Aidan Beachler. Aidan Beachler, son of Athena and Gareth Beachler, who is currently a freshman, scored an 806 out of 813 on his state science test last spring.

Matt Triplett introduces Logan Daugherty. Logan Daugherty, son of Sarah and Robert Daugherty, who is currently an 8th grader, scored an 806 out of 806 on his state Math test last spring.
