C. Student Spotlight

**From 3rd grade teacher, Mr. Grillot**
I would like the Board of Education to recognize Keith Gaines for his continued hard work. I have Keith in my math and social sciences classes and I have become very impressed with how hard he works, even when things don't always come easy. Since the beginning of the school year I have noticed tremendous growth from Keith. His attitude in the classroom has been great, he smiles when it's time to learn something new, he volunteers to answer questions and join classroom discussions more frequently, and when it's time to get to work he gets right down to business. I truly believe that something has clicked inside of Keith, and as long as he keeps working hard, we will continue to see progress throughout the year.

**From 3rd grade teacher, Ms. Hoehne by Mr. Grillot**
Jasmine Brown is currently a third grade student and is the daughter of Chris and Michelle Brown. She likes to read a variety of different stories and play board games. I would like to recognize Jasmine for her positive, hard-working attitude at school, as well as her commitment to her school-work at home. Jasmine is an excellent role model for her peers within the classroom and is always willing to offer assistance to others. Even if others are not as respectful to Jasmine, she continues keeping a peaceful attitude and shows respect to everyone. Jasmine was on the Honor Roll for the first quarter of the school year due to her excellence in her academics and commitment to schooling. I have high hopes that Jasmine will continue excelling throughout the rest of her life.

**From HS by Sharon Moore**
I would like to recognize Noah Hamilton for Bradford’s November student of the month. Noah won the billboard contest sponsored by the Miami County Public Health Department, the Safe Communities Coalition and Lisa Cano, State Farm. Noah won $500 which he is saving for college. And thanks to Noah, all 9th to 12th graders received free pizza (25 jumbo pizzas) from Clark’s Pizza House and they had 1 hour of interactive activities. Noah is part of the publications’ class. He has written newspaper articles and participated in the Roader Shows. Noah plays baseball for Bradford and enjoys watching the Reds play. He has been accepted into the National Honor Society and will be inducted next month. Noah just started working at Chick-fil-A in Troy.

Noah is also a member of the Community Chapel Youth Group. Noah plans to attend Mount Vernon Nazarene University and major in Youth Ministries. Noah is the son of Mark and Tammy Hamilton. He has an older brother, Collin, a younger brother, Corie and younger sister, Isabella.

**From MS by Matt Triplett**
I would like to recognize Trevor as our Middle School Spotlight of the month for November. Trevor had a class assignment from Mrs. Moore to send a letter to staff member. He sent the letter to Mr. Triplett asking if he could play the National Anthem on his guitar for our Veteran’s Day assembly along with many other questions to get to know Mr. Triplett more as a person. Mr. Triplett told Trevor he would love to have him play. This past Tuesday we had Chief Master Sergeant John Snow of the United States Air Force speak to our students in honor of Veteran’s Day. Before each assembly, Trevor played the National Anthem on his guitar and is doing a great job. It makes us proud to have such an outstanding student that has the courage to play individually in front of 200+ of his peers.
Trevor has also played in the Pumpkin Show competition and loves to play the piano as well. According to Trevor, he likes to play an instrument. After high school he hopes to become a musician. Trevor is the son of Greg and Shanna Nance.

D. Staff Spotlight

**Sharon Moore by Matt Triplett**

I would like to recognize Mrs. Moore as this month's Staff Spotlight for the month of November. Without Mrs. Moore, the previous two students wouldn’t have accomplished what they already have this school year. Mrs. Moore has been a staff member in the district for the past 16 years. There are countless stories and awards that she has been a part of throughout her time at Bradford High School. If you ask any student, I’m sure they would place Mrs. Moore somewhere in their top 3 favorite teachers in the Bradford School District.

Mrs. Moore works during the summer months off, as shown by finding the State Farm billboard contest Noah won, she pushes students out of their comfort zone to achieve their highest potential in the case of Trevor (although he seemed pretty comfortable). On any given day I can walk into the classroom and her students are always engaged from working on the Roader Show to inputting formulas into a Google Sheet. They are always working hard.

I’ll end it with this, when I asked a student what he thought of Mrs. Moore as a teacher he said, “I see her not as a teacher, but a life teacher that I can learn life skills from. She teaches us everything we need to know, but she goes even beyond that by teaching us skills that we real use the rest of our life.” As a district I don’t think we could have asked for a better response.

**Tina Schmitz by Michelle Lavey**

Tina Schmitz is an intervention specialist who has a heart and passion for teaching, actually bigger than any that I have ever seen. She works with her students and makes all the learning that they do relative to real life situations. She knows that many of the skills that we take for granted, such as asking questions to people and doing daily activities like making appointments, are difficult for her students. She makes sure to teach these skills as often as possible.

Recently she had a bat party where the students made their classroom into a bat cave and they presented the facts that they have learned. It was amazing all the information they had learned and shared appropriately with adults. As a matter of fact, her class has just planned and are making a meal to celebrate the veterans on staff. They want to learn more about the armed forces divisions. She is a teacher that students will always remember.
