BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome
B. Review of Agenda
C. Student Spotlight - Kathryn Riffell - Mrs. Siefring

I would like to nominate Kathryn Riffell for the BOE recognition this month. I have been working with Kathryn all year in a small study group to improve her reading skills. Each day she comes in with a smile and a great, positive attitude. She comes in ready to learn and shows much respect towards her teachers and classmates. She pays close attention, participates, and always tries her best. Her hard work is paying off as she has show some nice growth in her reading skills this year. She is truly an amazing student, an asset to our class, and an excellent role model for her classmates. It has been a real pleasure to work with her this year. Keep up the fabulous work, Kathryn! :)

Johnny Stewart - Mrs. Newton

I would like to recognize Johnny for being a great student in my classroom. Johnny is the son of Denise and Steve. He has an older brother named Stephen. Red is his favorite color, and he says McDonald’s is his favorite food- but he really likes the cheeseburgers! At school, he enjoys math, but he loves gym class. When he grows up he would like to create video games. He says he doesn’t know what kind of games he will create, but someday that's exactly what he wants to do. At home, Johnny often works toward the goal of obtaining his dream job by playing Roblox. Johnny is a great helper and is always kind to others and respectful. I can always count on Johnny to be listening carefully and following directions. He participates in class and always puts forth his very best effort. Johnny always comes to class and exclaims excitedly that he practiced reading the night before. His eagerness to learn will help him achieve any goals he sets. Keep up the great work, Johnny!

Trent Best - Nicole Hackett

Treat has really improved since the beginning of the school year. He is really working hard and applying the skills we’ve been working on when he is doing his work and reading. He treats children and adults with respect and has really made me smile this year! Anyone/everyone should be proud to call Trent a friend! Keep up the great work Trent!
Ethan Reed - Mr. Parke

Ethan is a sophomore and the son of Michael and Jennifer Reed. Ethan’s charisma, dedication, and work ethic truly make him a special student athlete. He works hard in the gym to prepare for powerlifting and then takes that same effort and dedication into football season. He is always at after school conditioning and weight lifting to prepare for the upcoming season. Ethan does an amazing job of taking on the role as a mentor by taking the 6th, 7th, and 8th grade football players under his wing and showing them the behavior and attitude that is expected of them. He is constantly rooting for his fellow student athletes to push themselves and be better. On top of all that Ethan is an amazing student in the classroom. He is a consistent A student who always does well on homework and tests. Ethan is the kind of student that should make Bradford EVSD proud.

Karissa “Alice” Rush - Dr. Delloma

Alice is a seventh grader here at Bradford Junior High. Alice’s natural leading ability and her growth has made her stand out in the seventh-grade class here at Bradford. Alice has made a big jump maturing into her role as a seventh grader. She came into the year with the goals to participate in class, be a leader in the class and have success academically in the classroom and she has been able to accomplish all of these goals. What makes Alice special is that she sets specific goals for herself. Instead of losing sight of those goals throughout the year she has stepped up and continuously shown improvement. If Alice continues to show dedication to her goals she has a bright future ahead of her.

D. Volunteer Spotlight -

Larry Yount, Naomi Yount, & Mary Alice Yount - Mr. Skinner

For as long as I can remember these 3 consistently have come to our school and treated every staff member and most importantly every student with respect, compassion, and care. They never miss an opportunity to brighten someone’s day with a smile and wave. Beyond the social and emotional support, they provide a great deal of educational support to the kids at the time when they need it most. If every staff member and Bradford student approached their day in the way they do, we would see immediate gains. Thanks for all you do! Your help is very much appreciated!
