BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome/Virtual Meeting Resolution

Virtual Open Meetings During the State Emergency

The Bradford Exempted Village School District Board of Education recognizes that Governor DeWine declared a state of emergency in Ohio by signing Executive Order 2020-01D on March 9, 2020 to protect the well-being of Ohioans from the dangerous effects of COVID-19. The Board of Education also recognizes that Amy Acton, MD, MPH, Director of the Ohio Department of Health (ODH) issued an “Amended Order to Limit and/or Prohibit Mass Gatherings and the Closure of Venues in the State of Ohio” on March 17, 2020, which limits gatherings to ten individuals or less. These two orders, and other orders issued by Governor DeWine and Dr. Acton, make conducting Board Meetings in compliance with the Open Meetings Act difficult, if not impossible.

The Board further recognizes that the Ohio Senate and House of Representatives approved Am. Sub. H.B. 197 on March 25, 2020, which provides emergency relief related to the Open Meetings Act. Notwithstanding any existing Board Policy to the contrary, it shall be the policy of this Board to conduct its meetings in accordance with Am. Sub. H.B. 197 as follows.

This legislation provides that during the period from March 9, 2020 through the duration of the State Emergency, but not longer than December 1, 2020, the Board may hold and attend meetings and hearings by teleconference, videoconference or any similar electronic technology means. Any resolution or action taken during such meetings has the same effect as if it were taken during an in-person, regular meeting. Board members attending virtual meetings shall be considered present and counted as part of the quorum required to conduct business. In addition, these Board members shall be permitted to vote.

In order to hold a virtual Board meeting, the Board must/has fulfill the following obligations:

- The Board must provide notice of its intent to hold a virtual Board meeting at least 24 hours prior to the start of the meeting.
The notice must be specifically provided to the media that have requested notification of meetings, and any party required to be notified of Board meetings.

The notice must be provided using reasonable methods so any person may determine the time, location, and the manner by which the Board meeting will be conducted.

If the Board meeting is convened on an emergency basis, the Board shall immediately notify the media and the parties required to be notified of the meeting.

When the Board holds virtual meetings, it must ensure that the meeting is accessible to the public. Examples that allow accessibility include live-streaming, broadcasting on local radio, television, cable, or public access channels, a teleconference, or other similar electronic technology.

The Board must ensure that the public can observe and hear the discussions of all of its members, whether such members are participating in person or electronically.
