BOARD PRESIDENT’S REPORT: DR SCOTT SWABB

A. Welcome

B. Review of Agenda

C. Student Spotlight

Kendall Koether - Mrs. Barga was not in attendance; presented by Bob Daugherty

I would like to nominate Kendall Koether for being an all-around fantastic student in my classroom. Kendall is 7 years old and the daughter of Jessica Koether. When Kendall grows up, she wants to be a nurse, just like her mom. Kendall’s determination and hard work that she shows in the classroom will make her perfect for this job. Kendall has one older brother, Camden who is in fourth grade. Kendall also has one dog named Oakley. Kendall takes responsibility in all that she does in the classroom, so I am sure she is an amazing dog owner. She also told me one day she wants to have her own husky. Kendall’s favorite part about school is math, which will definitely help her in her future nursing career. Kendall is very driven and a great leader, which will help her achieve any goal she sets for herself now and in the future. I am thrilled to have Kendall in my class this year.

Keep up the hard work!

Fiona Brewer - Mrs. Royer not in attendance: presented by Bob Daugherty

I would like to recognize Fiona Brewer for being an all-around great student in my classroom. Fiona is six years old and the daughter of Damon and Amanda. She has three brothers and one sister. She enjoys playing ball with her dog, Raider, even though he often doesn’t bring it back. Green is her preferred color, and sweet and sour chicken is her favorite food. At school,
she enjoys adding and subtracting in math, but she loves art. When she grows up she would like to be an artist. During inside recess she is working toward that goal by spending her time drawing and coloring beautiful pictures. Fiona is a great helper. She is kind and respectful. I can always count on her to be listening carefully and following directions. She participates in class and always puts forward her very best effort. Fiona’s eagerness to learn and dedication to finishing tasks will help her achieve any goals she sets. Keep up the great work Fiona!

**Olivia Daugherty: Mr. Schulze in attendance**

Livy is a student in my pre-engineering class. She has spent the bulk of her time in my class designing web pages. She has self-taught herself how to code through online courses. After learning to code she created a website for the Pre-Engineering class. After completing that she then created a website for Bradford Cross Country and Bradford Golf. When she is confused she has to troubleshoot her own problems by searching online. She enjoys coding and she does a great job at it.

**Aidan Beachler: Mr. Schulze in attendance**

Aidan is a student in my pre-engineering class. He has taken charge of fixing and operating the 3-D printer. He has worked through several tech issues with the printer and was able to fix it and get it working efficiently again. He enjoys working with the computer and designing items to print. He has successfully printed both a 3-D train and plaque for our classroom.

D. Staff Spotlight

**Ryan Schulze in attendance presented by Matt Triplett**

We would like to recognize Mr. Ryan Schulze for all that he does for the district. Currently he teaches multiple junior high science courses, a high school pre-engineering course and serves as varsity golf coach. If you ask any of the junior high students, they would tell you Mr. Schulze is one of their favorite teachers in the Bradford School District. Mr. Schulze works hard in establishing meaningful relationships with all students and staff in and out of the classroom setting. He and his students worked hard every day to make new advancements in our pre-engineering course. We would like to recognize Mr. Schulze, because he does so much more than teach children at Bradford. As administrators we are glad he is part of our educational team as he is all that represents Bradford pride.
ADOPTION OF THE AGENDA

A. Additions and Deletions to Agenda

B. Approval of the Agenda

Motion: Scott Besecker; Second: Maria Brewer

MOTION PASSES 4-0

RESOLUTION NO 014-2019

APPROVAL OF MINUTES
